

BARBARA STEFFENS COLLEGE/UNIVERSITY SCHOLARSHIP FUND

Barbara Steffens History:

Barbara Steffens was Valedictorian of Sullivan High School class of 1952. She was the daughter of a golf pro and spent much of her childhood at the country clubs her father managed in Illinois. Her tournament career started when she was just ten years old.

In 1952, Stetson University, one of the few colleges that had a women's golf team at the time, offered Barbara a four-year golf scholarship. She majored in both physical education and business administration, in addition to being on the golf team. In her junior year, she transferred to the University of Colorado to finish her college education.

Barbara taught at a school in California for seven years, and then spent two years teaching in Germany. She eventually moved back to California. During this time she earned a Master's degree in behavioral science and completed doctoral work in psychology.

In 1981, Barbara left the field of education and turned her attention to business interests. She eventually retired in 2004 and enjoys living in a golfing community in California. Throughout her life, her interest in golf has remained.

This scholarship was created to help those in need, just as the scholarship she received from Stetson University helped her.
